Item 15: TPO 490 Former Ford Foundry Cark/ rear of Myton Crofts

Petition in support of TPO received. Circulated to members 10/09/15

All 22 households support the confirmation of the TPO commenting the trees:-

- Mark the boundary of commercial and residential properties.
- Provide significant value as a landscape feature being visible from the street scene.
- Trees removed earlier this year and this line of trees provides residents only screening from the commercial sites.
- The trees are considered to be of high risk of removal

Paragraph 1 under heading OBJECTION of the committee report should read:-

"The Council received an objection to the making of the Order on 8th May 2015 from the landowner stating the following"
