PLANNING COMMITTEE 24th MAY 2017

OBSERVATIONS RECEIVED FOLLOWING PREPARATION OF AGENDA

Items 2 and 3: W/17/0171 - 18 Wychwood Close and W/17/0172 - 19 Wychwood Close.

These applications have been withdrawn

Item 4 – W/16/1987 - Land on West side of Southam Road, Radford Semele

An additional 4 letters received. Comments made:

- Would seek assurances that all hedges and trees are to be retained.
- Level of traffic on Southam Road will be further impacted by the development.
- Impact on local wildlife remains a grave concern.
- Will result in increased disturbance during works and consideration should be given to this.
- Concern that the use of fencing and hedging will encroach upon private lane as it matures causing difficulties for adjacent residents.
- Would request that the unsightly poles that remain from the previous advertising sign are removed.
